

Can You Solve Henry's Problems? 2

Problems facing Henry VII	My advice to Henry	Reason for advice
1) The York family were angry at the death of Richard III and may be looking for revenge.		
2) Some of the country's land-owning barons were very powerful and wealthy. They also kept their own private armies.		
3) There was not much money for weapons, armies, houses and palaces.		

Use the table to record the advice you would give the new King about how to deal with all the problems facing him. Once you have sorted the cards and completed the table, you can check what really happened on pages 14–15 of the Student Book.
